Message: I AM VERY HAPPY TO SEE MY COLLEGE AFTER 2 YEARS IN THIS PORTAL AND IT IS DEVELOPING DAY BY DAY. MY SPECIAL APPRECIATION TO THE TEAM WHO ARE MAINTAINING THIS PORTAL EFFECTIVELY.

ALSO HEARD IT BECOME ONE OF THE LEADING COLLEGES IN CHENNAI IN BOTH ACADEMIC AS WELL AS DISCIPLINARY ASPECTS.

HOPE IT TURNS TO UNIVERSITY SOON IN UPCOMING DAYS.

THE BEST THING ABOUT THE MANAGEMENT IS THEY TOOK A RIGHT DECISION IN SENDING OUT(IF I AM NOT WRONG) THE OLD PLACEMENT OFFICER MR.MAHENDRAN (BOSSY TYPE)WHO CAN ONLY TALK AND NOT SHOW ANYTHING IN ACTION.

MY HEARTY WISHES TO OUR NEW PRINCIPAL, A VERY WELL EDUCATED, EFFICIENT AND DYNAMIC PERSON.

THANKS
DINESH AMARA

To: principal@saec.ac.in

Good Evening sir,

This is KAVI PRIYA of CSE A (Representative) Thank you for being to our class sir and giving this unforgettable day to me(my class) by 10.15 am 3rd period sir. In spite of my class i say this first and foremost thing is that it was really enthusiastic and which inspired us a lot sir. And things which you said like we should get more knowledge by studying in this institution. By having a very kind and affectionate principal asking the grievances at the door step sir. The most important thing was we dint ask you or we dint say you anything after the day when you came previously to our class. No college's principal does this. I feel privileged studing under your esteemed institution. Here on, you'll be updated by our needs by the credits which we get from the faculties because of your motivation sir.

Thank you sir.

Respected sir

This is Krishna Kumar from civil engineering department. I thanking you because yesterday I got my scholarship money of Rs 1920 which is very useful to buy books for next semester or to attend any conference.

Thanks...

Regards,

Krishna.

Hi Sir, I am feeling very nice and happy to have you as our Principal and the lecturers are very much interested in our improvement. I also felt some change in my attitude from this college. Feeling very good in our college atmosphere. Sir, I want to know something, about your doctorate in which subject you published your papers and what you produced as your project at Ph.d .
Thanking you..... for giving us a wonderful opportunity to interact with you..

Requisition for changing the Computer Programming faculty-Reg

Respected Sir,

We are the students of 1 Year CSE A.

Since August 2013, we are facing the lot of difficulties in Computer Programming Subject. We cant understand the subject and moreover the faculty is not ready to clarify our doubts. She doesn't know how to rectify the errors in C Programs. other section students are having very good notes and programs which are all very important for university exams. we are kindly request you to take necessary action against her and moreover the mail is purely sending based on her performance and not based on her scolding inside the class room. We know that you are very good role model for all of us. But we are having the faculty who doesn't know what is C program? We are expecting some positive moves from your side sir.

Regards

I CSE A Students S A Engineering College

I will rectify the complaint within the a week.

Dr. Permbadi

Respected Sir,

My name is D.ARUN KUMAR, I am studying in veltech multitech engineering college in ECE department, the management is not proper in that college, coaching is very poor, and there is no placement in that college. I heard that in your college, that the placement, management, and coaching is EXCELLENT when compared to Vel Tech Multi Tech engineering college, so I kindly request you to admit me in your college in second year, please accept my kind request. I want to become a good engineer, and your college is the right place for it. I have gained 470/500 marks in 10th stateboard examination, and 1023 marks in the HSC examination, my cutoff marks is 163.75, I will definitely create a good name for your college, so please make a note of this email, my residential and permanent address is NO 35/17, 8TH STREET JOTHINAGAR, THIRUVOTTIYUR CHENNAI-600019, my contact number is 9791055925

thank you Sir,
yours sincerely,
D.Arun Kumar

Respected Sir,

Our college is good under you. All appreciate you. **You are best of all Principals**
subject of EEE you may not have noticed-we doubt. EEE final year DESIGN OF ELEC
MACHINES-not very good. All students complain. Previous teacher was very good. Ple.
action if possible.

With love and regards, a parent.

Sir we are happy that respected sir came to our class and gave the ideas to us it is very useful for us sir. We will definitely increase our pass percentage in unit test 3 sir. But one small request sir please see the last row students I was also sitting on the last row sir. You saw us only 5 times and did not asked any questions to us. We know that you are so busy but sir taken time to visit our class. Sir when you visit our class again please ask the question to last row sir. Sir once again we thank you for visiting our class sir on behalf of cse- c students
